

January 21, 2009

Dear Sir/Madam,

In 2008, Apollon Gym took over the New Jersey State Championship and the results were incredible! With over 30 vendors and close to 100 competitors, this sold-out event was by far the biggest show in New Jersey. The guest poser roster included some of the world's top Bodybuilding athletes who turned an auditorium into an extraordinary Bodybuilding Arena.

Team Apollon Gym is back for an exciting 2009 Season with two competitions; the **2009 Northeast Grand Prix** on July 11th and the **2009 New Jersey/Tri-State Bodybuilding, Fitness & Figure Competition** on October 31st.

Both of these National Qualifying events can be used as a great opportunity to gain exposure and promote your business and products. You may choose from 4 sponsorship packages, which can be found attached to this letter. We are offering incredible savings opportunities for those who choose to sponsor both shows.

If you have any questions, please contact Robert Samborsky at (848) 219-9777.

Regards,

Robert Samborsky
Apollon Gym Owner
